

Characterized by soft and harmonious lines, the Rice table expresses refined aesthetic research and deep expertise in working with solid wood. The flared thickness of the top offers a sensation of visual lightness, the inclined legs help to generate a dynamic balance of shapes.

Caratterizzato da linee morbide e armoniose, il tavolo Rice esprime raffinata ricerca estetica e profonda sapienza nella lavorazione del legno massello. Lo spessore svasato del piano offre una sensazione di leggerezza visiva, le gambe inclinate contribuiscono a generare un dinamico equilibrio di forme.
